Welcome to the New Hampshire SPCA

Thank you for your interest in adopting a pet at the NHSPCA Adoption Center. Please understand that it is not our intention to make the adoption process cumbersome, but to insure that the animals in our care get the best possible home and that you get the best possible pet for your lifestyle. While we make every attempt to screen all incoming animals for health and temperament problems, we cannot guarantee the health or temperament of any animal. It is the goal of our adoption program to find permanent, loving and responsible homes for our charges, and make them a match that will last a lifetime.
