ALL ANIMALS DESERVE HOMES.

STAY AT YOURS AND
HELP THEM FIND THEIRS.

Compassion isn't canceled. Take a detour this Paws Walk and join us from home for this critical event.

Paws Walk is the NHSPCA's largest grassroots fundraiser and allows us to continue helping those who need us — both pets and people. **The only difference is that this year... We're going virtual!**

The money raised at Paws Walk provides life-saving medical treatment and a second chance to the dogs, cats, pigs, rabbits, horses and all other animals here at our shelter. It also supports the community, allowing us to run programs like our Humane Education classes for children, our low-cost rabies clinics or our food share program benefitting families in-need.

Each and every day, our priority is to make sure the animals in our care are healthy, happy and safe.

A crisis can't change that.

Now more than ever, we are calling on animal lovers like you to walk with us in your own backyard and save animal lives one step at a time.

ANIMALS LIKE MACI NEED PEOPLE LIKE YOU!

Funds raised from Paws Walk go towards providing lifesaving care for animals like Maci. This adorable black and white mix came to us under horrific circumstances: she had been abandoned and without food for weeks.

She was rescued just in time.

Maci's body condition was extremely poor, but her spirit wasn't broken. Her soulful eyes told a story that was haunting but longed for a happy ending.

She was placed in a foster home to gain strength and learned what it meant to be loved. Maci started to come out of her shell and began enjoying the things all animals deserve to experience. We learned Maci loves car rides, walks, cuddling and playing with her toys.

Once Maci was nursed back to health, she was ready to find her forever home. It wasn't long before Maci was on her way to her new life; a changed dog because of compassionate people like you.

To earn your official Paws Walk shirt, raise \$25 by Monday, May 18!
