

Dear Friends and Family,

In difficult times, we must remind ourselves of those that need us: the animals. Voiceless, helpless, and alone; this is the devastating reality of the thousands of animals that turn to the New Hampshire SPCA each year.

That's why I am pledging to help those animals in-need by fundraising for Paws Walk: the Remix on Sunday, June 6. I'll be walking <choose one: at Stratham Hill Park / virtually> and need your support! Please help me reach my fundraising goal of \$_____.

Any dollar amount is greatly appreciated! Even the smallest contribution is critical in continuing the life-saving work of the New Hampshire SPCA. It's because of compassionate animal lovers like us that they're able to care for, feed, house, and save so many animals that turn to them for help each year.

You can donate to my personal fundraising page here. It's fast, easy and secure: give.classy.org/
_____ <insert remainder of custom URL>

Or mail me a check payable to the NHSPCA with "Paws Walk: the Remix" and my name in the memo line.

It's not just the dogs that are impacted by Paws Walk: the Remix, but the horses, goats, cats, guinea pigs, birds – animals of all sizes – that benefit from your consideration.

If you'd like to register to walk yourself, you can do so here: nhspca.org/paws-walk.

Thank you in advance for any assistance, financial or by spreading the word that you can lend to my fundraising adventure.

Sincerely,

BE A SUCCESSFUL WALKER!

You've registered for Paws Walk: the Remix! Great! Here are our tips to make the most of the event:

1. Wait, you haven't registered for Paws Walk: the Remix? Don't worry — it's easy, just click [here](#) to get started! This year, you can join us for a socially distanced stroll in Stratham Hill Park or walk on your own as a virtual walker.
2. Walking for the animals is even more of an adventure when you're part of a pack. Recruit friends, family and co-workers to join you and collaborate on your fundraising goals. Then, walk in unity with animal lovers all over the map on June 6!
3. Take advantage of your free Classy fundraising webpage! This page is customizable and makes it super easy to share your mission and progress with family and friends electronically. Set your goal high and knock it out of the park! Keep reading for a step-by-step guide to making your page more personal. And don't forget to show others that you're committed by making the first donation.
4. Start networking! Reach out to friends and family to tell them that you're planning to make a difference and need their support. Better yet, ask them to join you and form a team! Think of outside-of-the-box ways to motivate people to donate. Remember, fundraise like animals' lives are depending on you... because they are! The more you raise, the more you're rewarded (prize incentives coming soon). Raise \$25 by May 11 to earn one of our official Paws Walk: the Remix t-shirts pictured below!
5. Now it's time for the hard part: grab your four-legged friend, get outside, and walk. Whether your heading to Stratham Hill Park or staying local in your own neighborhood, know that you're making a huge a difference for homeless animals. In-person walkers, be sure to arrive up to 15 minutes before you designated time slot and wear a mask! Virtual walkers, check out our fun virtual challenges (more to come).
6. However you spend your day, make sure to take photos and tag us @nhspca #PawsWalk #StillWalking!
