

THE NEW HAMPSHIRE SPCA'S 10TH ANNUAL
**DOGGIE
PADDLE
PLUNGE**

Dear Friends and Family,

Imagine the only family you've ever known leaves you behind. Or that you've never known what a loving home feels like. That is the devastating reality of the thousands of animals that turn to the New Hampshire SPCA each year. This year, I am pledging to help those animals in need by plunging into the frigid Atlantic as part of the **10th Annual Doggie Paddle Plunge** on Saturday, March 7.

In order to make this exciting endeavor a success, I need **your** help!

You may think this endeavor is a bit on the crazy side, but the impact it has on the homeless animals in our community is tremendous. The funds raised from this event are critical in continuing the life-saving work of the New Hampshire SPCA. It's because of compassionate animal lovers like yourself that we're able to care for, feed, house and save more than 2,000 animals each year. The chill of the icy water will be temporary, but the impact we can make together will last forever.

I have set my fundraising goal at \$_____. Will you help me reach it? If you'd like to join me in making a difference, please send me a check payable to the New Hampshire SPCA with "Doggie Paddle Plunge" and my name in the memo line. If you'd prefer to give online, please contribute to my personal fundraising page! Know that giving online is fast, easy and secure. Visit my personal page at https://give.classy.org/_____.

Your support of not only my page, but this event, is crucial. Through out-of-state transports, local rescues and more, the New Hampshire SPCA works tirelessly to find safe, loving homes for every animal that comes through their doors. It's not just the dogs that are impacted by the Doggie Paddle Plunge, but the horses, goats, cats, guinea pigs, birds — animals of all sizes — that benefit from your consideration.

Thank you in advance for any assistance, financial or by spreading the word that you can lend to my fundraising adventure.

Sincerely,
