

Animals like Lola need people like you.

It is heartbreaking to see animals who have come to us from neglectful situations. We can see their skinny bodies or the broken look in their eyes. We don't always know what they've been through or the pain they've felt, but one thing is for sure: the abundance of love and care they will receive once they come through our doors.

Such is true of one sweet, senior pug named Lola.

Lola came to us at the ripe age of 12, a very sad situation for a senior dog. She was surrendered to an unfamiliar place, now all alone. But thanks to our amazing community, it wasn't long before Lola found her forever home, complete with two other pugs.

Lola's story was shared over 800 times and people from all over the country called asking about her, wanting to adopt.

It's thanks to people like you that dogs like Lola receive a second chance at life.

It's thanks to people like you that we are able to do the work we do.

5 Reasons to Plunge!

1. Homeless and abused animals are waiting at the shelter in desperate need of your support.
2. It's on your bucket list! What? It wasn't? Well, it's not too late to add it! Cross this experience off your list knowing that it benefits a super amazing cause.
3. Do it for the Gram! Come for the photo opp and show your family and friends that you're welcoming the new year with a brave face and a philanthropic spirit!
4. Hit fundraising goals and it's not just the animals who will benefit — you will, too! Our incentive prizes will allow you to keep a branded memento to remind you of all the good you do.
5. Fundraise for the animals but stay for the fun times! Seriously, how many times are you going to have the chance to dress up like a hot dog and jump into the ocean?

Did we mention homeless and abused animals? You love animals, right? This is your chance to be their hero! All the money you raise will go directly to them!
